

Canada Visa Job Interview Preparation Guide.

Question # 1

I applied as foreign worker at Alberta, Canada twice. My first application was denied I received a letter from the embassy stating the I didnt satisfy the visa officer that I will go back to the Philippines after my contract. Then I tried the second time I was asked to appear for an interview at the embassy but then again I failed to satisfy the visa officer although I know for a fact that I answered all the question that was asked at me. Can somebody help me? how am I going to satisfy the visa officer?

Answer:-

According to me i think you should give valid reason for why you have selected canada only for work & not other country. they might be expecting something logical ans from your side.

Secondly answering all the question is not only important but your attitude, confidence and appearance have equal importance.

[Read More Answers.](#)

Question # 2

How are you doing?

Answer:-

You don't have to be nervous and answer in a formal way. This question is basically asked to make you comfortable.

[Read More Answers.](#)

Question # 3

Have you ever been to Canada before?

Answer:-

Though Visa officer has the record of all your visits to Canada but you have to tell them the truth. If you have been there then you should remember the date of arrival & departure.

Yes I have been to Canada once in 2006 on a tourist Visa.

Or

No, I have not been to Canada so far.

If yes then it is advisable to remember the date of last arrival and departure from Canada.

[Read More Answers.](#)

Question # 4

Why do you want to study in Canada?

Answer:-

Visa officer wants to understand your intentions to go to Canada. As you are applying for student Visa so you should only talk about that.

I want to go there to pursue my Masters degree. Because of the ample research facilities and global exposure available there. I will be completely equipped in terms of practical exposure, by being in contact with people from different nations and working with the best technology.

[Read More Answers.](#)

Question # 5

Why did you select this particular university?

Answer:-

You should go through the website and handbook of your

university carefully. Pen down some highlighted features such as World ranking, the research facility, the faculty profile, Alumni profile etc. Visa officer wants to know the reason behind joining the particular University.

E.g. I was keen to study in a university which can give me quality education so while searching various options I found that this university has got the best faculty available in my subject. Even the research facilities are very good. Moreover it is listed in the top 50 universities of the world with well known professionals as its Alumni's.

[Read More Answers.](#)

Question # 6

For which course are you going?

Answer:-

You should go through the course content carefully. You should know everything such as: Duration, Fee, commencement & end date, Credits points, curriculum etc about your course. I am going for MS in Computer Science for the Fall 2009 session.

[Read More Answers.](#)

Question # 7

Why did you choose this course?

Answer:-

You should be very clear about your future plans after doing this course. Prepare a good statement mentioning about: How course is relevant to your previous degree, how this course adds value to you profile, why you are interested in doing this course etc.

This course is related to my previous studies as I have done my B.Tech (Computer Science) and I would like to continue my education in the same field. Moreover I am quite interested in VLSI design and this course includes various modules related to that.

[Read More Answers.](#)

Question # 8

Why don't you do this course here in India?

Answer:-

You should know what difference the course would bring to you if done from Canada instead of India. If the course is not available in India, you can tell the Visa Officer that it is not offered in India. If the same course is available in India, highlight the differences in the quality of education and the course structure in India and Canada. You should convince the Visa Officer that doing this course from Canada will add value to your profile. Talk about a few researches being conducted in that field. Technical words work out when other things don't.

Similar course in India is entirely theoretical. Whereas the same course in Canada comes along with Internship and a lot of project work. Internship & projects will give me a lot of practical knowledge. After completing the course I will not get only the degree, but also experience in the field. Also, the research facilities are not that great here in India.

[Read More Answers.](#)

Question # 9

Which are the other universities you have applied to?

Answer:-

Visa Officer wants to know if you are really serious about your education. If you applied to 4 and were accepted in 1 and got 3 rejects, you should put it this way: I applied to 4, got 1 admit, 2 awaited and 1 reject. Visa Officer will have record of the Universities accepted your application and not of your rejections. You should say that the chosen university was your first choice.

I applied to four other universities and got calls from two of them. But I preferred to choose XYZ because of the research being carried out in the field of XXX (mention the one related to your course) that interests me the most.

[Read More Answers.](#)

Question # 10

How are you going to fund your education?

Answer:-

Visa Officer wants to know if you are well aware of source of your funds. This is the way to verify your documents as well.

You can say that Family funds or Bank loan (As per your Visa documents and funds statement)

[Read More Answers.](#)

Question # 11

Are you getting any school waiver?

Answer:-

Mention if you are getting any tuition fee waiver or teaching assistantship or research assistantship. That will prove to be a positive point.

[Read More Answers.](#)

Question # 12

Why do you think the university is giving scholarship to you?

Answer:-

You should know how much scholarship you are getting and probably the reason university is giving scholarship to you. Visa Officer wants to know if you are aware of the scholarship programs and financial aid. Also if you have submitted any Statement of Purpose for scholarship then mention about that and carry a copy of the same.

It is because of my academic records, GRE & TOEFL Score.

[Read More Answers.](#)

Question # 13

From where did you do your under graduation?

Answer:-

Mention the name of the course and the university. If the university has high ranking or some specific feature, mention that too.

[Read More Answers.](#)

Question # 14

Tell me something about your past?

Answer:-

Be prepared to tell them that what you were doing between your last school and till today. Make sure your answers are focusing on your achievements, skills, you being a sincere student.

After completing my studies, I worked in ABC Company as an Executive for X years. After that I joined XXX Company and presently working over there for last Y years.

[Read More Answers.](#)

Question # 15

Who is sponsoring your education?

Answer:-

If you have a scholarship, say that. Else mention the name of your sponsors, you may add that your father and mother are supporting you for your higher education as per the financial documents.

My father and relatives (As per Visa documents & Funds)

[Read More Answers.](#)

Question # 16

What does he do?

Answer:-

Visa officer basically wants to verify the financial capability of the sponsors. You are advised to go through the Income tax returns, and supporting documents of your

sponsors carefully. Have a good idea of the income source of your sponsors.

[Read More Answers.](#)

Question # 17

What savings does your family have?

Answer:-

Make sure your answer focus on proof of having sufficient funds. Go through the financial documents carefully and mention the savings as per the documents. Always carry a detailed bank account statements and CA report with you. If you have taken an education loan then do mention about that and carry a copy of Loan letter with you. My father is having savings of around XX Lakhs. And my mother has a fixed deposit of XX lakhs. Collectively they have sponsored me for XX lakhs. We are also availing an education loan from XYZ Bank for X lakhs.

[Read More Answers.](#)

Question # 18

What is your fathers annual income?

Answer:-

Visa Officer wants to know if your father's annual income is sufficient enough to meet your expenses of studying abroad. They think that money can be put into banks, but annual income is a proof which they heavily rely upon to decide the student's parents capability to meet his educational expenses. You should mention the annual income as per IT returns. His annual income is XYZ.

[Read More Answers.](#)

Question # 19

How many brothers and sisters do you have?

Answer:-

Such kind of questions is basically to verify whether your family has other members for whom your parents may have to raise fund later on. Basically such questions are asked to evaluate the balance of income and expenses of the family.

[Read More Answers.](#)

Question # 20

Do you have any relative in Canada?

Answer:-

Be truthful at this instance. Visa Officer will have record of this (about your brother/sister/Mother/Father) with them. If your distant aunt or uncle stays there, then you don't have to say about them. All that matters is your immediate relatives i.e. own brother, sister, father or mother. Any of your relative overstaying in Canada may not be favorable considered.

[Read More Answers.](#)

Question # 21

Is your brother/sister enjoying there?

Answer:-

Visa officer wants to know what the intentions of your brothers and sisters are. Never answer in a way that makes them believe that they plan to settle or overstay. Any of them overstaying in Canada may not be favorable considered. You may say that he is finding life tough there and has plans to come back to India after completing his studies/after a year or two.

[Read More Answers.](#)

Question # 22

What are the course commencement and completion dates?

Answer:-

You should remember the exact dates. Visa Officer wants

to know if you are well aware of the course duration and start date.

[Read More Answers.](#)

Question # 23

Where do you plan to stay in Canada?

Answer:-

Mention the address where you have planned. This should reflect that you are serious about your studies and have made all arrangements for your education abroad.

[Read More Answers.](#)

Question # 24

What do you plan to do during your vacations?

Answer:-

Visa officer wants to know your ties to your home country. You can say that you plan to come back to meet your family and friends here in India. You should not say that you plan to work in Canada as that shows you are not financially strong and you are going there to earn money. This will make the Visa officer believe that even after completing your education, you would like to do job and settle there.

[Read More Answers.](#)

Question # 25

Show me your GRE and TOEFL Score?

Answer:-

Carry all documents in such a way that it becomes easy for you to remove and present them to Visa Officer without any wastage of time, whenever asked for. Always try to put the better score on the top. The speed at which you are able to show the relevant document whenever asked for also counts a lot. Visa Officer wants to know how sincere you are at your studies. Remember your scores and exam dates.

[Read More Answers.](#)

Question # 26

What is your undergraduate GPA?

Answer:-

You should convert your percentage in GPA and remember it exactly.

[Read More Answers.](#)

Question # 27

Can you show me your degree?

Answer:-

Handover the degree confidently and look at the visa officer. If asked only for a degree, do not show the mark sheets of each semester.

[Read More Answers.](#)

Question # 28

Mention some professors name?

Answer:-

Do research the university and find out specifically the professors in your department before going for visa interview.

[Read More Answers.](#)

Question # 29

Did you get in touch with any professors in this University?

Answer:-

Before going for visa interview, you should contact professors in your department. VO wants to know how sincere you are for doing graduation from your chosen university.

Yes, I exchanged some emails with Prof XYZ. With the area of his research and the interest I have in that particular subject, I guess I can be good research assistant under him. It is always advisable to carry the printouts of the emails with you.

[Read More Answers.](#)

Question # 30

What are your future plans? Do you intend to stay in Canada?

Answer:-

Your answers should reflect clarity of thought, clarity of your intentions and strong ties to your home country. I am sure the recent growth of Indian economy will open many avenues for me to start my company back in India. After acquainting with latest technologies in Canada, I look forward to start my company here in India.

[Read More Answers.](#)

Question # 31

Do you plan to work there?

Answer:-

Visa Officer wants to know your intentions. You should answer in such a way that Visa Officer is convinced that you are financially strong and plan to return to your home country after completing your studies.

[Read More Answers.](#)

Question # 32

Do you have enough funds while you are there?

Answer:-

You should be confident and say yes. Visa Officer wants to know if you have enough funds to meet your educational expenses.

Yes.

[Read More Answers.](#)

Question # 33

What is the location of your university?

Answer:-

You should do some research on your university before visa interview. You should know its exact location and the location of different campus as well (if any). Location might be one of the reasons that you selected this particular university, so make sure that you know its exact location.

[Read More Answers.](#)

Question # 34

Whats the difference you can make by doing your MS in Canada?

Answer:-

You get better opportunities once you do your MS. Show foreign companies coming to India investing in your field. State some technical words expressing the advancements in your field.

Most of the Universities in Canada are going in parallel with the latest technologies. Educating myself in those technologies will provide me the necessary skill-set to start up something of my own in future.

[Read More Answers.](#)

Question # 35

Can you explain if the person dont have funds so he is not go to Canada on work permit?

Answer:-

noo its not posible but if u got job offer frm canadian company .thy can tak ur responsibility ..read carefully how too get canada work permit visa

* a job offer from a Canadian employer

* a completed application, that shows that you meet the requirements of the Immigration and Refugee Protection Act

and the Immigration and Refugee Protection Regulations, and

- * written confirmation from Human Resources and Skills Development Canada (HRSDC) that the employer can hire a foreign worker to fill the job. This confirmation is called a positive labour market opinion.

- o In most cases, it is up to your employer to get that written confirmation. Information on the labour market opinion is found under Information for Canadian employers on the right-hand side of this page.

- o In some cases, you do not need a labour market opinion. (See Jobs that require a work permit but no labour market opinion.)

You must also do the following:

- * Satisfy a visa officer that you will leave Canada at the end of your work permit.

- * Show that you have enough money to support yourself and your family while you are in Canada.

- * Respect the law and have no criminal record. (You may have to provide a police clearance certificate. See Police Certificates for more information.)

- * Show that you are not a risk to the security of Canada.

- * Be in good health. (You may have to have a medical examination.)
