- the information I have supplied in this application is complete, correct and up-to-date in every detail.
- I am aware that I must immediately advise the department if I become aware that any information provided in this form is incorrect or if there is a change in my circumstances that is relevant to this application at any time.
- I have attached all relevant documentary evidence as specified on the department's website for the student visa for which I am applying.
- I understand that if any fraudulent or misleading documents or information is found, this application is likely to be refused and I may become ineligible to be granted a visa for a period of time.
- I have access to sufficient funds to support myself and my family unit members (regardless of whether they are accompanying me to Australia) for the total period of my stay in Australia.¹
- I have made adequate arrangements to health insurance for the period of my stay in Australia and I acknowledge that I am required to maintain these arrangements while in Australia as the holder of a student visa.
- I will respect Australian values as listed on this form, during my stay in Australia and will obey the laws of Australia.
- I understand that a student visa is a temporary visa, and that being granted a student visa will not guarantee that I will be eligible for the grant of a further visa to remain in Australia, including a skilled migration visa.
- I understand that if I cannot obtain a further visa, I must depart Australia on or before the cease date of the student visa.

Visa conditions:

- If granted a student visa, I acknowledge that I am required to abide by its conditions as outlined in the information sheet Applying for a student visa.
- I understand that if the 8534 visa condition is imposed on my visa, it will be indicated by the condition code '8534' and by the short description 'further stay restricted'. I acknowledge that this means that the 8534 condition has been imposed on my visa and that I will not, while in Australia, be entitled to the grant of any other visa,² other than a subclass 580 (Student Guardian) visa.
- I understand that the effect of the 8534 visa condition is that it will not be possible for me to apply to remain in Australia beyond the date authorised by my visa² and that I will be required to depart Australia on or before that date. I agree to having this condition included on any visa issued to me as a result of this application if the department decides to impose it as a condition of grant of a visa.

- I understand that if the 8535 visa condition is imposed on my visa, it will be indicated by the condition code '8535' and by the short description 'further stay restricted'. I acknowledge that this means that the 8535 condition has been imposed on my visa and that I will not, while in Australia, be entitled to be granted any other visa², other than a further student visa in circumstances where the Commonwealth, or a foreign government (as the case requires), does not oppose me undertaking a relevant course of study.
- I understand that the effect of the 8535 visa condition is that it will not be possible for me to remain in Australia beyond the date authorised by my visa², unless I am applying for a further student visa in circumstances where the Commonwealth, or a foreign government (as the case requires), does not oppose me undertaking a relevant course of study, and that I will be required to depart Australia on or before the authorised date.

For students under 18 years of age:

- I acknowledge my responsibility for organising appropriate accommodation and travel to and from Australia on behalf of the student visa holder under the age of 18.
- I am aware that condition 8532 will be imposed on the visa of the student under the age of 18 and I will ensure that appropriate welfare arrangements are in place and maintained at all times.

For offshore applicants who are required to provide their fingerprints and facial image:

- I understand that my fingerprints and facial image and my biographical information held by the Department of Immigration and Border Protection may be given to Australian law enforcement agencies to help identify me, to help determine my eligibility for grant of the visa I have applied for, and for law enforcement purposes.
- I consent to:
 - Australian law enforcement agencies disclosing my biometric, biographical and criminal record information to the Department of Immigration and Border Protection for any of the purposes outlined above; and
 - the Department of Immigration and Border Protection using the information obtained for the purposes of the Migration Act 1958 or the Australian Citizenship Act 2007.
