

Program Availability for International Students

This document is current as of **June 26, 2023**

Applicants for Fall 2023 must submit a valid Study Permit or confirmation of Study Permit approval with their application.

LEGEND:

Open – The program has spaces available for that intake and is currently accepting applications. It is still dependent on the number of applications received.

Wait – All spaces for that intake have been assigned, but a wait list is kept in case of cancellations. You can apply to a Wait program, but please do so with the understanding that all spaces have been filled, so your chances of receiving an offer are contingent on the number of cancellations processed.

Closed – The program is no longer accepting new applications for that intake, as all program spaces and the wait list has been filled.

n/a (Not Available) – The program is not offered for this start date.
